

# Client Screening for COVID-19 required by the Oregon Health Authority

## In preparation for your appointment:

- Please complete this screening for signs and symptoms of COVID-19.
- Arrive alone to your appointment (OHA only allow one person per stylist).
- When you arrive wait in your vehicle or outside the salon and text me to check in. Wait for me to respond. We are not allowed to have a waiting area inside or offer beverages.
- OHA guidelines require you and I to wear a face mask during your service. Please bring one. If you do not have a face mask I will have one available for purchase.
- After entering the salon please head straight to the restroom and wash your hands for 20 seconds using warm water and soap. At this point we can begin your service at my station.
